HISTORY

The Gulf Coast Athletic Conference developed out of a series of meetings held over a period of almost four years. A number of private four-year schools in the Gulf Coast region with similar educational standards, enrollments, budgets, and athletic philosophies mutually felt the need for a conference.

In April and May, 1981, a constitution was developed, officers were elected and the decision was made to proceed with conference competition during the 1981-82 school year. Charter officers were Anthony M. Rachal, Jr., Xavier University, president; John Burton, Spring Hill College, vice-president; Mark Windham, Belhaven College, secretary-treasurer; and Thomas Howell, Louisiana College, commissioner. Charter members were Belhaven College of Jackson, Mississippi; Dillard University and Xavier University of New Orleans, Louisiana; Louisiana College of Pineville, Louisiana; Spring Hill College of Mobile, Alabama; Tougaloo College of Tougaloo, Mississippi; and William Carey College of Hattiesburg, Mississippi. In August, 1981, the GCAC received recognition as an NAIA Affiliated Conference. All conference members are also members of NAIA District 30.
